

SDP Priorities – 2019-2021

To enable us to continue to maintain and build on current success we have identified the following as our current priorities, as detailed in the **School Development Plan**

SDP Priority 1	Raise standards and accelerate progress of boys and non-disadvantaged pupils in reading from KS1 to KS2 in line with national figures.
SDP Priority 2	Embed reasoning and problem solving in mathematics through a mastery approach across school.
SDP Priority 3	Embed curriculum intent and implementation to prepare every child for future learning and success in life.
SDP Priority 4	Leadership and management ensure that highly focused and effective professional development translates into improvements in the teaching of the curriculum.
