## IMPORTANT INFORMATION COVID UPDATE

As you would have heard in the news, the easing of Covid-19 restrictions in England has been delayed by a further four weeks, which takes us right up to the end of term. Due to the restrictions in place, we are still not in a position to allow groups of parents on site. Therefore, we must ensure that everyone's safety comes first and continue to follow our risk assessments.

As a result, we will not be able to invite parents and families into school for end of year events such as graduations, sports days, assemblies and workshops. Parents' Afternoon will again be carried out via telephone conversations with class teachers. We will keep you updated with further information.

Thank you for your understanding and support.

## NATIONAL ONLINE SAFETY AWARD

We are delighted to have received Certified School Status in recognition of our strong commitment to implementing an effective whole school approach to online safety!

This is down to all the hard work of our school community!

**A huge well done!**

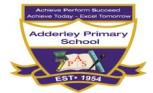

## Multi-Coloured Day Friday 18th June 2021

As part of the PSHEC curriculum, Adderley Primary School are celebrating Anti-Bullying Week and celebrating the contributions, creativity and resilience of refugees and people seeking sanctuary. The theme of 'difference' will be celebrated on **Friday 18th June** with Multi-Coloured Day. **We would like children to come to school wearing multi coloured clothing or as many different colours as possible.** Please contribute to charity by sending your child to school with a £1.00 donation.

Article 22: Children who move from their home country to another country as refugees (because it was not safe for them to stay there) should get help and protection and have the same rights as children born in that country.

## We Still Have Spaces in Reception - September 2021

At Adderley Primary School we believe your child's experience of school plays an essential role in their lives and determines their academic, social and, probably, their occupational future. From the outset, your child's interests and aptitudes are encouraged, nurtured and built upon; instilling in them a love of learning. Our staff are experienced EYFS practitioners who will ensure your child achieves their maximum potential.

We still have a few places available in our Reception Class, if you require a place for September, please come to our **School Office** or call on **0121 464 1500** for more information or support with applying for a place.

## Afterschool Clubs

There are still a few places left for Afterschool Clubs on Monday, Tuesday and Thursday. Please speak to the Office Team for more information.

## Breakfast Club for Working Parents

There are still a few places available for Breakfast Club for working parents only. We cannot offer Breakfast Club to all parents at the moment due to Breakfast Club operating in bubbles. Please speak to the school office if you require a space in Breakfast Club, parents must be working and the school will be asking for evidence.

## Adderley School Library

Every week your child visits the school library and changes their library book. The library is constantly updated with new books, which the children have requested.

Unfortunately, we still have a lot of library books that have not been returned since the lockdown. It is important that these books are either put back or replaced. Please ensure that next week your child's library book is returned to school.

## SUMMER UNIFORM AND SUN SAFETY

We ask all parents who send their children to our school to support the school uniform policy. We believe that parents have a duty to send their children to school correctly dressed and ready for their daily schoolwork. One of the responsibilities of parents is to ensure that their child has the correct uniform, that it is clean and in good repair. During the summer months, girls can wear a blue and white checked dress and boys can wear shorts. Please ensure that during the warm weather, your child is wearing the appropriate sun protection, below is some information all parents should follow;

### Be Sun Smart

1. Put on a Shirt
2. Put on Sunscreen
3. Wear a Hat
4. Wear Sunglasses
5. Stay in the Shade
6. Water Bottle in School
