Help Us To Improve Adderley Park

Parks are beneficial to communities because they create a space for community members to congregate safely and enjoy nature; children can play under their parents' watchful eye and community members can improve their health with equipment, all within a relaxing environment.

For our community to reap the benefits of Adderley Park, ASFAP (Adderley School Friends of Adderley Park) are working with Birmingham City Council to improve the park with attractive designs, accessible amenities and recreation areas for everyone.

Adderley Park, famous as the first formal park in Birmingham is highlighted as an area in need of environmental improvement in the wider Bordesley Park Area Action Plan, and the East Birmingham Inclusive Growth Strategy. It is also a much loved green space in the local community.

ASFAP would like to hear your views on improving Adderley Park by taking a moment to complete this online survey www.birminghambeheard.org.uk/place/adderley-park/consultation/intro/ or alternatively you can scan this QR code on your phone.

You can contact us via email by writing to enquiry@adderley.bham.sch.uk

Community Consultation

ASFAP invite feedback, further ideas, and proposals based on the outline ideas presented in the masterplan below from all sectors of the local community.

Consultation on the masterplan is open until **Tuesday 31st January 2023** and can be made in the form of online comments in the online consultation OR in person at informal drop-in sessions held **at Adderley Primary School on 25th Nov or 9th Dec between 9-10am or online on 29th Nov, 20th Dec or 17th Jan between 5-6pm.**

Please take part. We very much need your views to further shape the plans so that they accurately capture your wants and aspirations.
