RAMADAN – THE MONTH OF FASTING

We would like to wish '**Ramadan Mubarak**' to all our Muslim families and we are aware that Ramadan is a very significant month in the Islamic calendar. We fully appreciate that some of the main benefits of Ramadan are an increased compassion for the needy and poor, focusing on having good intentions and actions at all times, being reflective and working more closely with our families and communities.

We have taken advice from a range of sources (Government, Local Authority and various Islamic organisations) and recognise that some of the main benefits of Ramadan are an increased compassion for the needy, establishing healthier lifestyles and better habits, and learning to have greater self-control. We also recognise that children under the age of puberty are not required to fast. **Therefore, the school has decided that children in Year 6 will be allowed to fast during the school day with the permission of their parents.**

Please note that if your child has a medical condition or feels unwell during the fast, the school will be obliged to ask them to break their fast and the office will contact you as soon as they can.
