EID-AL-ADHA

We would like to take this opportunity to wish Eid Mubarak to all our families who will be celebrating Eid Al Adha, which is due to fall on **Wednesday 28th or Thursday 29th June** this year. We hope you have an enjoyable time with your families and friends during this holy festival! Children will have their absence recorded as authorised for **One Day** as *religious observance*. School is open for children who do not celebrate Eid as usual on Wednesday and Thursday.

All children must return to school after one day absence, any additional absences will be recorded as unauthorised, unless medical evidence is provided.

Dogs in Adderley Park

Some people, especially small children, can find dogs intimidating. These simple tips will keep the park enjoyable for you, your dog and other people:

Do

- keep your dog in sight and under control at all times
- put your dog on a lead if necessary
- remember other park users may be afraid of your dog
- make sure your dog doesn't disturb or harass wildlife
- keep your dogs out of children's play areas and other marked dog-free areas so they don't frighten children, foul in play areas or damage park equipment.

Don't

- let your dog to run and jump on other people or dogs without an invitation
- let your dog enter water such as rivers or lakes in parks, especially when it's icy or during the spring/summer waterfowl breeding season – this will avoid disturbing wildlife and exposing your dog to risk
- allow your dog to damage play equipment or allow your dog to damage trees – they can get infected or die when bark or branches are scratched or pulled off.

Bag and bin your dog's mess

Dog mess left in parks is unhygienic, unpleasant for other park users, and can be dangerous for children who might pick it up without knowing it is bad for them. Dog mess can also harm plants and animals.

Failure to clean up after your dog is an offence under the Clean Neighbourhoods and Environment Act 2005. Dog mess should be placed in a sealed bag and deposited in any park litter bin or at home. A fixed penalty of **£100** will be issued if you are caught failing to clear up after your dog. It is **not** a defence to say that you did not see the dog foul or that you had no means to clear up.

We know the vast majority of dog owners in the area are responsible. However, feedback from residents and park users has revealed that they are concerned by dogs off their leads, aggressive dogs and dogs in children's play areas, alongside problems of dog fouling, please respect other park users.

If you have concerns about aggressive dogs or dogs owners not cleaning up of the dog, please report the issue on Birmingham City Council website - <https://www.birmingham.gov.uk/dogcontrol> or to the Birmingham Dog warden on 0121 303 6007.

If you've been bitten by a dog and you know who the owner of the dog is, or you suspect someone is keeping a prohibited type dog (e.g. pit bull terrier), call the police on 101 or **If you are concerned about public safety, please dial 999.**
