## Fundraising at Adderley

Thank you for the incredible efforts of our school community, since September we have been able to raise a astonishing **£7,000** for the Morocco Earthquake, Children of Gaza, Children in Need and Anti Bullying. This is testament to the generosity and compassion that defines our school community.

Below are extracts from letters received from the Charities the funds have been sent to.

**“ Thanks for the commitment of all our dedicated supporters, UNICEF ensures more of the world’s children are vaccinated, educated and protected than any other organisation”.**

**“It is because of supporters like you that we can reach children all around the world with the life-saving essential support that they need, Thank you for helping us to be there for the world’s most vulnerable children”.**

**“Your contribution of £2,400 will go a long way in serving those who are in need humanitarian assistance.”**

**“Whether a city is blighted by conflict or hit by a natural disaster, you can rest assured that we will try our best to get on the ground ASAP, Insha’Allah. Your donations is an amanah for us and we will ensure that it is utilised in the most effective way possible”.**

Our pupils were enthusiastically engaged in various fundraising activities, demonstrating exceptional teamwork, creativity, and determination throughout this fundraising campaign. They not only learned about the importance of helping those in need but also gained valuable life skills in the process.

Full copies of both letters are attached to the newsletter email.

**Everyone at Adderley Primary School thanks you for your continued support.**

**You can contact us via email by writing to [enquiry@adderley.bham.sch.uk](mailto:enquiry@adderley.bham.sch.uk)**

Thursday 21st December 2023  
In the School Hall  
From 9:15 - 10:00am**

## Adderley is a Nut Free School

Adderley Primary School is a NUT FREE SCHOOL. People who suffer from nut allergies can develop a severe, potentially life-threatening allergic reaction. If someone has a nut allergy it is not just eating nuts that can cause a severe reaction, just being touched on the skin or smelling the breath of someone who has had nuts or a product containing nuts can trigger an allergic reaction which can cause breathing and swallowing difficulties. First aid staff in the school are trained to use Epi-pens (an injection of adrenaline) which are required immediately if this happens. We cannot have nuts in school in any form.

For special occasions such as Eid, Christmas or birthdays, please do not send packaged sweets into school. Parents/Carers are not allowed to distribute sweets in the school playground or by the school gates.

We also cannot allow children to share tubs of Celebrations sweets with their classmates on their birthdays as these include peanuts, hazelnuts and coconuts in some of the selection. There are many other products that can present a risk, so please check the packaging of products closely. We appreciate that this is an additional thing to check but we know that you recognise the importance of it. If it was your child affected you would expect that we all help, especially as it can be a life-threatening condition.

There are many other products that can present a risk, so please check the packaging of products closely.

If you have any questions, please do not hesitate to speak to a member of staff.

## DATES FOR YOUR DIARY

**School Closes for End of Term**

**Friday 22nd December 2023**

**School re-opens on**

**Monday 8th January 2024**
