

# Year 1 - Spring 2

## Our Wonderful World

What your child is learning this half term

[www.adderleyprimary.co.uk](http://www.adderleyprimary.co.uk)

### Maths

In maths we are looking at different ways to subtract using resources such as number lines and part- whole models. Later in the term we will move onto learning about length and height.

**At home, log in to your child's Times Tables Rockstars account to practice their times tables.**

### Science

In our science lessons we will be looking at seasons and how each season changes into the next. At the end of the half term 1C will use thermometers to measure the outside temperatures.

**At home, discuss the characteristics of each of the 4 seasons.**

### RMSE

This half term we will be looking at the theme of 'Ramadan' and 'Eid Al-Fitr'. We will look at both celebrations and understand their importance.

**At home, research and discuss the importance of these celebrations.**

### English

This half term, 1C will write a fact file on hot and cold countries. We will discuss the climate of different countries, and my people may want to visit them.

**At home discuss why people travel to different places.**

### ART/DT

This half term in Art we will be planning and making a large-scale artwork focused upon a chosen environment. In DT we are exploring wheels and axles, culminating in a wacky race using cars designed and made in class.

**At home discuss what wheels are used for and what types of wheels you see on your journey to school.**

### Homework

Reading, Writing and Maths homework is set weekly on Purple Mash every Thursday. Home reader books will be changed on a weekly basis. Don't forget to read with your child and comment in their home reading record book. Please remind your child to bring their home reading book and record book back to school every Monday.

**Year 1 Key Event: VR Experience**

### Geography

In our geography lessons we will be looking at countries and continents. We will discuss the make up of the UK and which continents have hot and cold climates.

**At home, look at Google Earth and discuss why places may have differing climates.**

### PSHEC

In PSHEC, year 1 will have a visit from the school nurse to discuss first aid. Following this we will continue to focus on our health by understanding the importance of exercise and nutrition.

**At home talk about why health is important for everyone.**

### PE

1C- Hit/ Catch/ Run

**Encourage your child to attend after school clubs where they can further develop these skills.**

**Article 28** Every child has the right to an education emphasizing that primary education should be free and compulsory.

**Article 30** Every child has the right to learn and use the language, customs and religion of their family.
