## WELCOME BACK !

Dear Parents/Carers,

We hope you all had a restful break and that the children are ready for the last half term of learning for this academic year. Please find all the important dates for your diary listed in this newsletter.

Over the coming weeks, staff will be reminding children to return their Library Books and Home Readers. We would be grateful if you could ensure that any outstanding books are returned to school before the end of term.

Thank you for your continued cooperation and support.

## Year 4 Multiplication Tables Check

Year 4 pupils will start their statutory Multiplication Tables Check in the week beginning **Monday 8th June**. They will complete their test within an allocated time slot during this week.

Please ensure that your child attends school every day and continues to practise their timestables at home as much as possible to ensure they meet the Year 4 expectation of knowing their times tables. This will greatly help them to progress onto the Year 5 Curriculum in September.

## Year 1 Phonic Screening Check

Year 1 pupils will be starting their statutory Phonics Screening Checks from **Monday 8th June**.

Please ensure that your child attends school every day and continues to practise as much as possible to ensure they meet the Year 1 expectation of knowing their phonics. This will greatly help them to progress onto the Year 2 Curriculum in September.

## The winners of the race to Silverstone were **20** and **6C** !!!

**Congratulations to 20 and 6C** for winning the race to Silverstone!  
Your excellent attendance throughout the year truly sets the pace!  
The children enjoyed a wonderful day at Silverstone.

**Adderley will continue to focus on attendance right up to the last day of term.**

**Children and classes will continue to receive rewards and awards for good attendance as we are still monitoring the pole position of the attendance race.**

Good attendance ensures that children learn well and make strong progress. Adderley Primary School takes poor attendance very seriously and will take action where parents/carers fail to ensure their children attend school regularly. Every child should aim to achieve their attendance target and we recognise the excellent work many Parents/Carers do in supporting this.

**Our school attendance target is 97%.**
